ORANGE BARONY - We have drawn and will retain semen interest in this bull. We are selling 5 bulls and 4 heifers by Orange Barony in this sale. They will tell their own story. A fine crop of calves at the farm add to his ability as a sire. We believe he will make his new owner a great stock bull. We debated some time before offering him, but because of his close relationship to many of our females, we decided we could use him artificially. His mother has produced 7 calves at 9 years of age and they are all outstanding.

Northwood Farms, Cary, Ill. are consigning 5 coming two-year-old bulls to this sale - they are all good-legged, good-footed, growthy bulls, not selling highly fitted, but in good strong breeding condition that will guarantee their future usefulness. 4 of these bulls are sired by Bapton Pioneer whose sons and daughters have averaged well over \$2,000 in Northwood Sales and Bapton Pioneer is by the 1957 Perth top selling bull, Bapton Cairnbrogie, a full brother to Bapton Constructor. The mother of Bapton Pioneer was purchased by Louada at 1,500 gns. and her next calf, Louada Masterstroke, sold at a high price to Maclyn Plantation, and her third calf, Louada Masterpiece, sold for \$15,000 to the Argentine. One bull in this consignment is by the Perth champion, Crichton Buzzard that sired the top bull at \$5,000 in the last Northwood Sale. You'll notice that all of these Northwood bulls are either out of imported cows, or close up in imported breeding.
